SUOMUSSALMI AND HOSSA

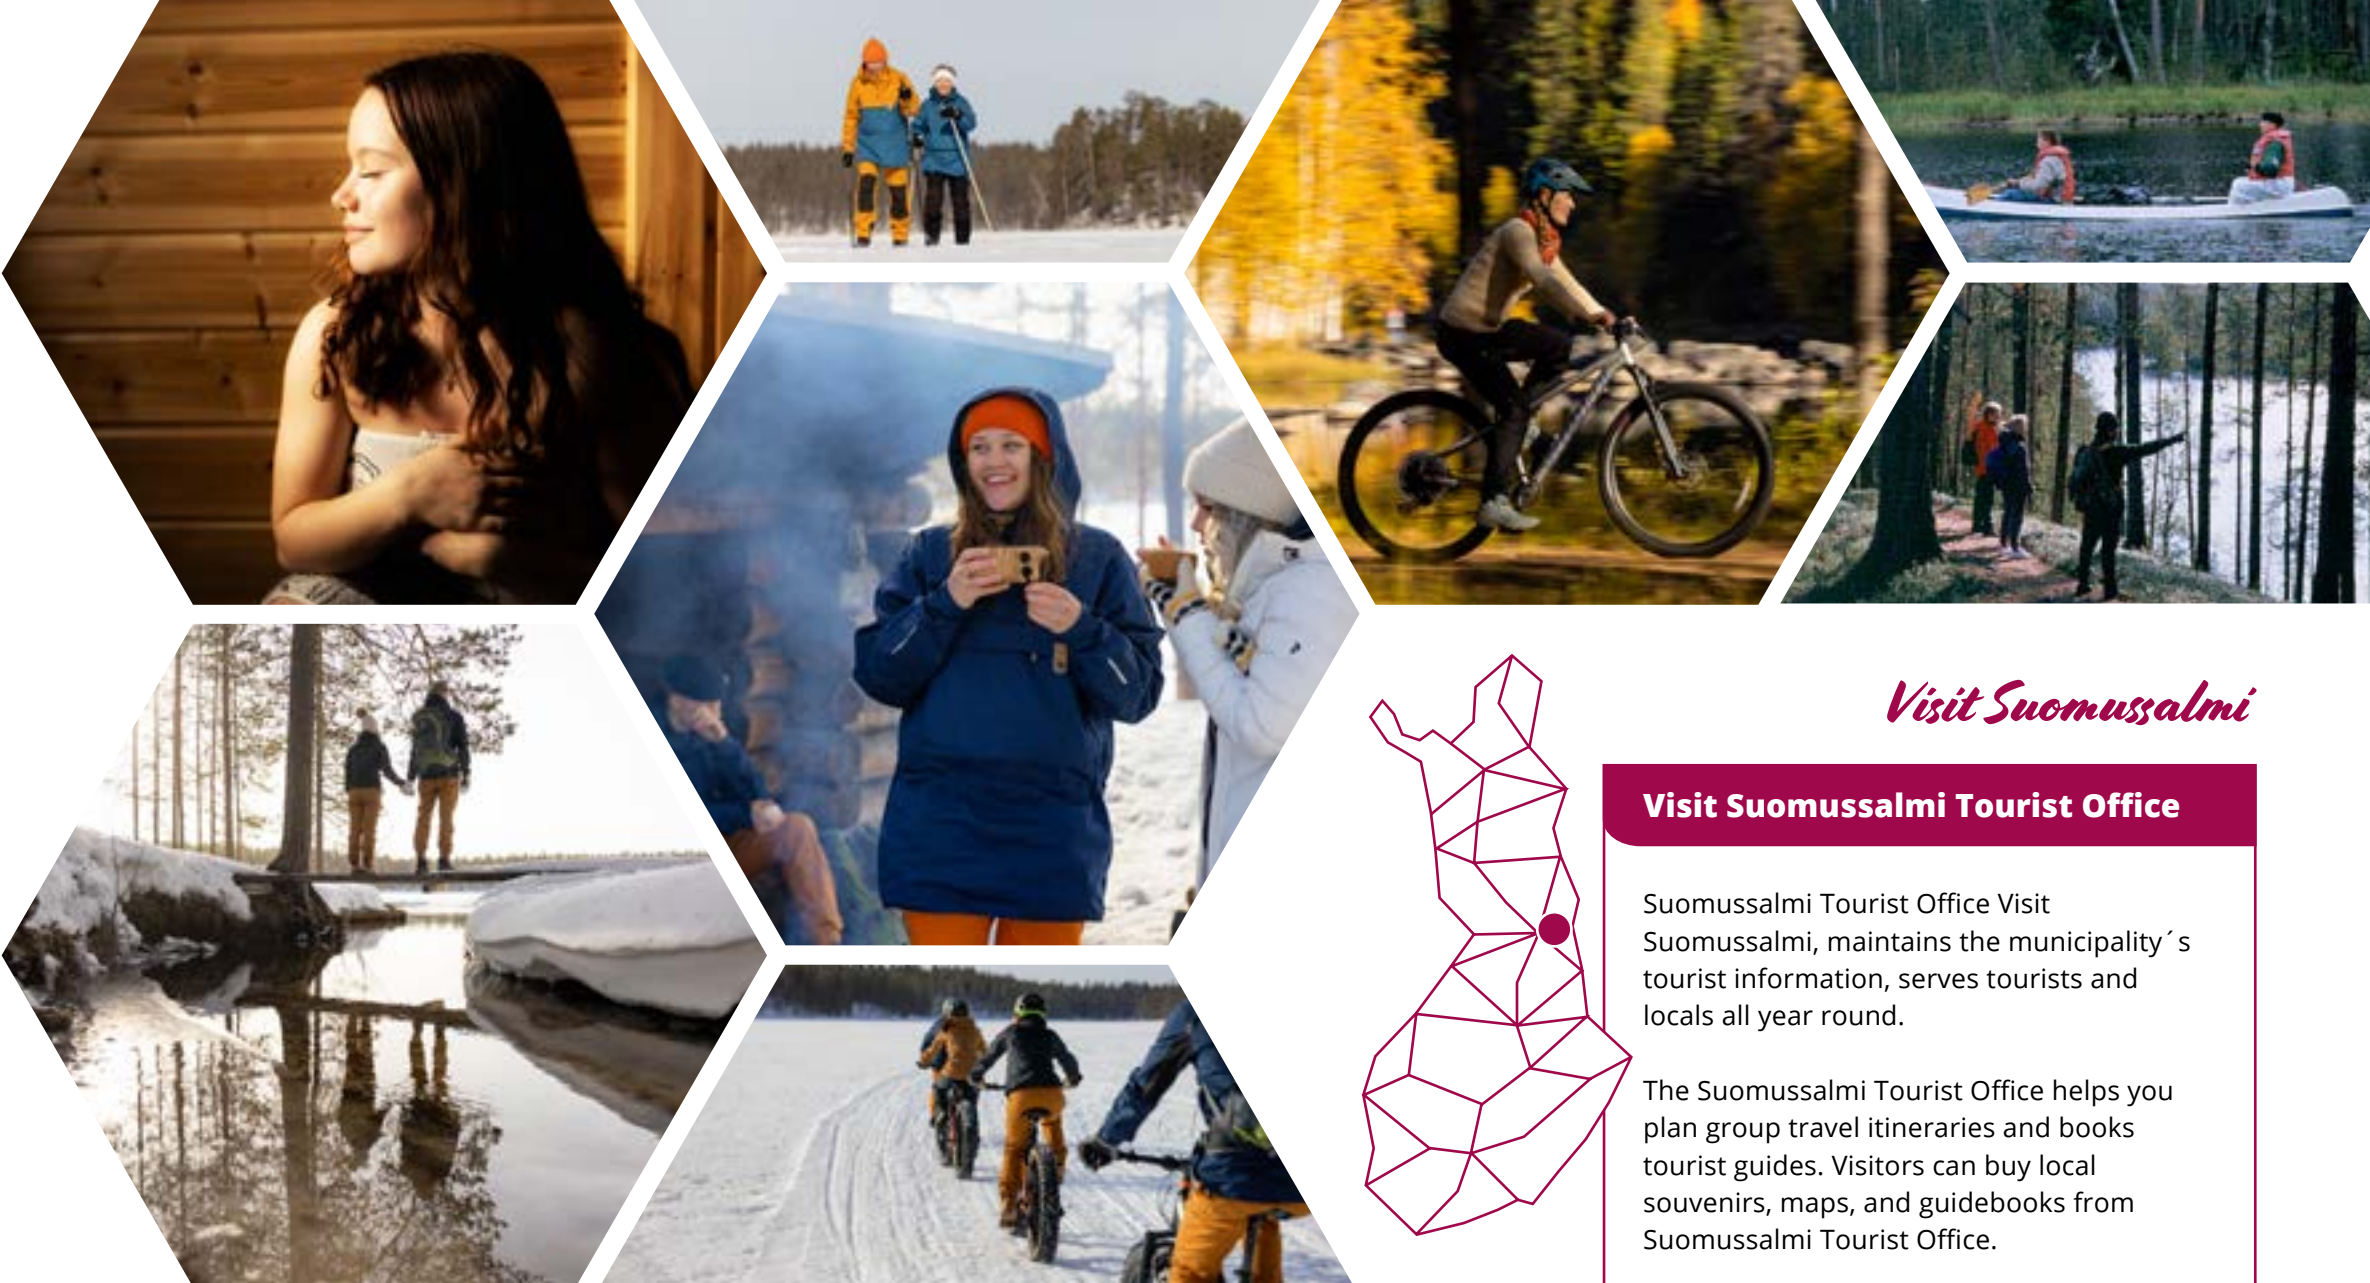

– A JOURNEY INTO THE HEART OF NORTHERN WILDERNESS

Nestled in the northern part of Arctic Lakeland (Kainuu), just over an hour's drive from Kajaani, Suomussalmi is a place where nature and history meet. This serene region invites you to experience all four seasons, with its rolling, forest-covered eskers and ancient woodlands that beckon explorers along scenic, tranquil trails.

Suomussalmi is rich in history and natural beauty. Key highlights include Raate Road, the site of fierce battles during the Winter War, the striking Silent People landscape art installation, and the stunning Hossa National Park. The region offers a chance to experience the unique art and sounds of the Silent People, the mystical echoes of the Musical Forest, and the profound historical significance of Raate Road.

Imagine being immersed in the quiet, untamed wilderness of Hossa-Suomussalmi far removed from the bustle of daily life. Suomussalmi and Hossa provide the perfect escape — a place to relax, rejuvenate, and indulge in unforgettable outdoor adventures. During winter, the Northern Lights cast a magical glow across the sky, enhancing the already enchanting landscape.

Hossa National Park offers a network of well-maintained, easily accessible trails that wind through towering forests, along sandy eskers, and beside clear, glistening lakes. The park is a haven for hikers and nature lovers yet remains blissfully free from the crowds of mass tourism. Here, you can lose yourself in a world where time seems to slow — only nature, silence, and the starry sky above. Notable sites in Hossa include the ancient Värrikallio rock paintings and Julma-Ölkky, Finland's largest canyon lake, both of which are truly one-of-a-kind.

High season: June-August

Low season: September - May

PLACES OF INTEREST

THE SILENT PEOPLE

Available: Year-round

📍 Viitostie 547, 89800 Suomussalmi

Standing sentinel along National Highway 5, *The Silent People* presents an extraordinary and enigmatic sight — a thousand figures with hay-headed silhouettes rising from the Käpylä field. Their silent presence is both haunting and captivating. This remarkable installation, created by visionary dancer and choreographer Reijo Kela in 1988, has intrigued visitors for decades with its powerful yet mysterious aura.

After journeying from its original location in the center of Suomussalmi and making a memorable appearance at Helsinki's iconic Senate Square in 1994, *The Silent People* found its permanent home at the Käpylä field, where it continues to spark wonder and contemplation. True to the artistic vision, creator Reijo Kela maintains the installation's mystery, allowing each visitor to discover their own meaning in this striking display.

Enhance your visit by stopping at the charming Niittykahvila Café, where you can savor traditional kettle coffee and delicious Finnish crepes while contemplating the fascinating spectacle before you. The café welcomes both individual travelers and groups (reservations recommended), offering the perfect vantage point to experience one of Finland's most unique and thought-provoking works of public art.

Niittykahvila Cafe and Meadow Cottage restaurant

The Field Café (Niittykahvila Café), located near *The Silent People*, offers an unforgettable experience for all motorists and groups traveling along Highway 5.

Location: 30 km from the center of Suomussalmi and 70 km from the Hossa Visitor Center

Available: Open daily in the summer; at other times open on request for groups.

Capacity: 90 seats on the terrace during the summer and 80 seats in Meadow Cottage restaurant year-round.

Specialties: Pancakes with a variety of sweet or savory fillings. A diverse lunch buffet in midsummer, alongside delicious à la carte dishes throughout the summer. Group lunches available upon request.

THE MUSICAL FOREST

Available: No snow season; at other times, long-sleeved clothing and shoes required.
Location: In Kaunisniemi, about 7 km south of Suomussalmi center.
Entry: Free

📍 Lomakyläntie 27, Suomussalmi

Step into a magical realm where art and nature create a unique symphony at *Soiva Metsä*, Suomussalmi's enchanting Musical Forest. This extraordinary outdoor gallery showcases remarkable musical instruments that double as stunning works of art, thoughtfully scattered throughout the pristine Finnish landscape. Each piece, masterfully crafted by renowned instrument builders Markku Penttilä, Olli Penttilä, and Pekka Westerholm, invites visitors to become part of the forest's melody.

Located in the scenic Kaunisniemi area, just 7 kilometers from Suomussalmi center, this interactive art installation is accessible to all who wish to experience its wonder. Adventure seekers can reach the Musical Forest by following the picturesque Seitenahveninen hiking trail from the Suomussalmi center's Pitämä residential area. The trail winds through beautiful wilderness, past recreational fishing grounds, and leads eventually to this unique destination. For those preferring a shorter journey, follow the marked path from the Seitenahveninen parking area, past the summer theatre, to discover this harmonious blend of nature and artistic expression.

Come play, explore, and immerse yourself in this one-of-a-kind forest where every visit creates a new symphony!

Instructions: The *Soiva Metsä* instruments can also be reached by foot along the Seitenahveninen hiking trail, starting from the Suomussalmi center's Pitämä residential area and leading to the Seitenahveninen Recreational Fishing and Trekking area. From the Seitenahveninen parking area, follow the road to the "Kesäteatteri" (summer theatre), then take the path that leads to *Soiva Metsä*.

WINTER WAR MUSEUM RAATTEEN PORTTI

The Winter War exhibition at Raatteen Portti explores various aspects of Suomussalmi before and during the Winter War. It covers topics such as evacuation preparations, the effect of the harsh winter on the war's outcome, the fate of the Red Army, the valuable spoils of war Finland gained along Raate Road, and the post-war conditions that people returned to.

Available: Open daily from May to October.

Services: Café Kanttiini Päämaja (meals for groups upon request); Souvenir Shop Motti; guided tours of the exhibition available on request from the museum or Suomussalmi Tourist Office.

HOSSA NATIONAL PARK

Location: In the municipality of Suomussalmi, in the Arctic Lakeland region of Finland.

Hossa is renowned for its magnificent and unique wilderness. Visitors can immerse themselves in the serenity of nature and enjoy a variety of outdoor activities. The park's magnificent wilderness is an excellent destination, with trails running through pine forests that invite hiking and cycling, and crystal-clear lakes ideal for canoeing and fishing. The national park offers marked routes for paddling and fishing, with varying conditions to suit different preferences. Hossa is also famous for the Hossa Väräkallio Rock Paintings and Finland's largest canyon lake, Julma-Ölkky.

Accessibility: Hossa National Park and the surrounding areas offer accessible, versatile trails and facilities. Some of the campfire sites and dry toilets have been designed to accommodate wheelchair users. The national park also features jetties from which wheelchair users can fish and board a boat.

SUMMER ACTIVITIES

Hossa is a paradise for outdoor enthusiasts, offering a wide range of activities, including:

Hiking: Several well-marked hiking trails are available, ranging from easy day hikes to more challenging multi-day treks.

Canoeing and kayaking: The park offers several scenic canoeing routes through its networks of clear water lakes and rivers, catering to different skill levels. You can enjoy both shorter paddling trips and longer, more adventurous excursions.

Fishing: Fishing is popular in the park's many lakes and rivers, with anglers often targeting perch, pike, grayling, whitefish and trout.

Cycling: The park has designated cycling routes and opportunities for mountain biking.

Väräkallion Kaaros Trail

Hossa National Park is home to the northernmost Stone Age rock paintings in Finland, with an estimated age of 3,500 to 4,500 years. The Väräkallion Kaaros trail leads to Lake Somerjärvi, where a footbridge and viewing platform have been built. From here, you can view the rock paintings up close, just a few meters away. The trail is of medium to demanding difficulty and is marked in nature with yellow paint markers.

WINTER ACTIVITIES

Although Hossa is famous for its summer activities, it is also a winter wonderland. In winter, visitors can enjoy activities such as:

Cross-country skiing on groomed tracks.

Snowshoeing through pristine, snow-covered forests.

Ice fishing on the frozen lakes.

Winter fatbiking: cycling joy, even in winter!

Baking Rieska (flatbread)

Vanha Kurimo offers a unique experience for groups. In the old log cabin's oven, the warm fire creates a cozy atmosphere, and at the cabin's tables, it's the perfect place to bake traditional potato flatbread following our recipe. We prepare the flatbread dough in the kitchen of Vanha Kurimo in advance, allowing our guests to focus on baking their own flatbreads. Our staff then bakes the flatbreads in the kitchen oven, and afterward, we bring each steaming-hot flatbread to everyone to taste. Afterwards, we move on to enjoy a delicious salmon soup lunch, served at pre-set tables.
